

dot-line

I.

dot-line eyes to focus [gaze]
a flaunted abyss
into which orchid
sings
poetry is pollination
blooming
climaxing a life
dehydrate
the skin of[f] common sense
still, to pass blooming
eyes to climax
and wither in
velvet haze, your
stillness [stagnancy]
will breed
malaria
within these lips

II .

manic sea-level
 exposure to even the slightest
 [+] charge
only as bird as
 marine-iguana,
 [lizard] Olympia
tributaries' tribute
 landslides
 implosion into
 effeminacy,
god of bi-
 literacy
swim the gravity
 syntax
 downstream
 and
 chew-well
 before swallowing

III .

possible
this plastic
androgyny
to drag so?

it noises
and one must
gratitude
the nothing

IV .

freeze not that numb
 [fresco]
its double-angled
 vision
dangerous to the present
 order
hap- hazardous
 does the net
 catch those flinging teeth
to puzzle
 carnivorous pecking
 order of your
terraqueous
to become passive
 and bask
 in this
trickling aqueduct
 coolly filter
 unpredictability
hypnotize the wild
 riverbed to
 snake it privileged
 trickle

V .

bi-canyon
prod its architecture
with its
3-D [terra cotta]
your bird is the only
to dominate
this atmosphere
[marine-iguana]
so flooding half-sounds
this dam
is not so
detrimental
perhaps
[. . .]
